Re: Docket No. 2018-358-WS

Ms. Boyd:

I write to request customer notification and a hearing regarding Docket No. 2018-358-WS.

This filing pertains to Carolina Water Service's request that the Public Service Commission grant the utility an annual rate adjustment mechanism and do so without customer notice or a hearing.

Given Carolina Water Service's well-earned disrepute, I have grave concerns about subjecting the utility's customers to any rate mechanism that relies upon the company acting in good faith. At a minimum, customers deserve adequate notice of the proposed change and the public interest would be well-served by subjecting the filing to the scrutiny of the Commission's hearing process.

Thank you for your consideration of this request.

Sincerely,

Wes Climer
